# HABANERO PEPPER

Like most peppers, the habanero peppers are green and they change color as they mature. Harvested green or red when ripened, the habanero pepper packs some heat, plus a fruity, citrusy flavor, and a wonderful floral aroma. The combination of heat, aroma and citrus flavor make habanero peppers a popular ingredient in salsas, hot sauces, and spicy prepared foods.

☒ Pepper Puree

☒ Fire-Roasted

☒ IQF Whole

☒ IQF Diced
