ORANGE BELL PEPPER

Food and beverage manufacturers add orange bell pepper puree to their products for its unique color and it is the sweetest of all the bell peppers. Orange bell peppers purees are particularly useful ingredients in beverages, other vegetable purees, dressings, dips sauces and in baby foods for their color and sweet taste. Our bell pepper specialties include IQF orange bell peppers, peeled, deseeded, cut into strips and fire roasted for use in many prepared foods. IQF orange bell pepper is a favorite for creating healthy and all natural stuffed bell pepper recipes.
